Leave the city behind and come aboard the Andiamo ('Let's Go' in Italian). The crew of this 40' Sea Ray will treat up to 8 people to a memorable summer evening on a mutually agreed upon date. The voyage will begin in the late afternoon with an appetizer cruise around beautiful Spring Lake and a jaunt along the sandy beaches of Lake Michigan. On shore, dinner will be served at one of Grand Haven's finest beach town restaurants. Finally, a stroll along the board walk with your favorite ice cream dessert will be the perfect ending to this summer night.
